

Hospice of Rockingham County Wish List

It may seem strange to request something as ordinary as stamps or toiletry items on a wish list, but the truth is, it takes a lot of things to keep our office humming along. So if you find yourself in the post office, or travel-size item section of the grocery store or pharmacy, or even the linens section of a department store, why not pick up just an item or two for HRC?

You'd be surprised at how helpful that would be!
